Received from Chief Ship Surveyor _____

EL'S NAME Stl. T. Sc. Sr. "NUOLJA"

Rpt. Got. No. 5584

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

e of Survey _____

It is submitted before this case receives the consideration of the Committee, the Gothenburg Surveyors should be requested to forward particulars of tests and weight of the chain cable.

In addition it is concluded that the riveting in the butts of the shelter deck sheerstrake is according to the Rules and not as stated on the report, but the Surveyors should state if this is so.
