Dear Sir,

s.s. "DISCOVERY II"

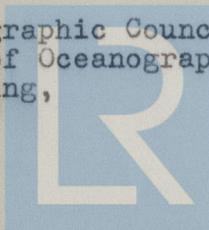

In reply to your letter of the 17th October I am pleased to inform you that provided a satisfactory General Examination of the hull and machinery be held about March next the Committee will be prepared to consider the postponement of the Special Survey but, in view of the age of the ship, the period of postponement granted will be determined by the condition as found and reported upon at the time of the General Examination.

I shall be glad to learn, in due course, of the arrangements made for the requisite General Examination to be held.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Secretary,
The National Oceanographic Council,
National Institute of Oceanography,
Wormley, Nr. Godalming,
