R REF.

17th October 1961

The Secretary,  
Lloyd's Register of Shipping,  
71 Fenchurch Street,  
LONDON E.C.3.

Dear Sir,

R.R.S. "Discovery II"

My Council has placed an order with Hall, Russell and Company Limited of Aberdeen for the construction of a new research vessel to replace "Discovery II". The keel of the new ship was laid earlier this month and it is anticipated that she will be in service in about twelve months' time.

"Discovery II" is due for Special Survey in January 1962, but as she is to be replaced by the new vessel before the end of 1962, my Council would be glad to know whether arrangements could be made for the Special Survey to be deferred for a year.

Yours faithfully,

Secretary
