Greenock, 30th November, 1929.

Dear Sir,

With reference to your letter of 28th instant in regard to the Royal Research Ship "DISCOVERY 11" (Messrs. Ferguson Brothers' Yard No. 295), I beg to state the butts of the strake below the sheerstrake are double riveted as stated in the First Entry Report No. 19127.

This arrangement was approved at a later date by special sketch shewing butt riveting of the strake referred to.

The two plans forwarded with your letter are returned herewith.

I am, Dear Sir,

Yours faithfully,

A. L. Hamilton

The Secretary,
LONDON.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor creases and discoloration, particularly along the edges. The page is set against a dark background, which makes the lighter color of the paper stand out. There is no text or other markings on the page.
