Dear Sir,

"KETTARA VII" ex "DELIUS".-

We have received your letter dated November 29th concerning the Load Line Certificate for the above mentioned vessel.

"KETTARA VII" has been now sold for breaking up in Japan. She will be delivered to Breakers as soon as she has completed unloading in Japan. Therefore, it seems useless to issue a Panamanian Load Line Certificate as the ship will arrive in Japan. We think the ship may complete her journey to Japan with her present Load Line Certificate as amended for change of name and port of registry.

Yours faithfully.

Mun Hooley
