Dear Sirs,

C
AH/HW

Steamer "CALABAR"

Before your Report No.147742 receives the consideration of the Committee, I shall be glad if you will clarify the following points: -

- (1) Whether all sea connections have been examined or only those on the starboard side. Your report and certificate do not agree in this respect.
- (2) Which main engine driven pumps have been examined. In this respect no reference is made to these pumps in your interim certificate.
- (3) Whether both main engines have been seen working and manoeuvring as no reference is made to this in your interim certificate.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
LONDON
