ANSD.....

Dear Sir,

With reference to our Report No. 12196 on the Motor vessel "African Reefer" of Copenhagen we beg to state that the owners will be pleased if duplicate plans or plans, which are not considered necessary for the file in London might be handed over to them.

We should therefore be glad to have such plans - except those of the main- and auxiliary engine crank shafts and the starting air receiver returned to this office.

Yours faithfully,

*L. Clausen*
