Dear Sir,

"EMPIRE SHEARWATER".
(ex L.S.T. Mark 3 No. 3033)

This ship is now under survey in the Glasgow district for classification. The existing equipment comprises three bower anchors of 52 cwts. each and 247½ fathoms of 1½" S.Q. chain cable. (Chain cable retested at this time).

The equipment should correspond or be equivalent to letter "v" of Table 53, namely, three bower anchors of 46.5/8 cwts and 270 fathoms of 1¾" S.Q. chain cable.

In the circumstances I am desired to ask that consideration be given to the acceptance of the existing equipment as being equivalent to the requirements of letter "v" and meriting the notation "A1" with geographical limits.

Yours faithfully,

Secretary to the
Scottish Committee.

The Secretary,
LONDON.
