The Secretary,

LONDON.

Dear Sir,

Newcastle Report No. 92619.

In forwarding the attached First Entry Report on the steamer "THORNABY", Messrs. R. & W. Hawthorn Leslie & Co's Ship No. 596, attention is drawn to the collective weight of the three bower anchors. As this is only 14 lbs light the question is submitted for the favourable consideration of the Committee.

We are, Dear Sir,

Yours faithfully,
