QUESTION

ANSWER

This ship foundered in Baltic on 13th November, 1961. In my letter of the 5th November, the owners stated that a decision had been reached regarding refloating and therefore, she had been declared a total loss. Nothing further has been heard, please enquire and kindly let me know whether attempts are to be made to refloat her or whether she has been abandoned as a total loss.

Date:— 2nd February, 1962.

Due to the winter season no definite arrangements have yet been made for the salvage of the ship.

Neither the owners nor the Insurance Companies have yet written her off as a C.T.L.
