Mr. R.A. Loraine,  
Surveyor to Lloyd's Register,  
VALPARAISO.

Dear Sir:

We acknowledge receipt of your letter dated  
July 18 requesting details of outstanding surveys on the s.s.  
"JONANCY".

This vessel will be in San Antonio on the  
25th of this month and we are making arrangements to install  
the emergency fire pump on arrival. Furthermore the "Jonancy"  
will be trading on the coast for a period of approximately  
thirty days and as soon as she calls at this port we shall let  
you know so the following may be examined:

Main engine, fan engine, anchor windlass and engine, fuel oil  
transfer pump.

Thank you for your attention to this matter.

Yours faithfully

NAVIERA CHILENA DEL PACIFICO S.A.
