The Secretary,
Lloyd's Register of Shipping,
71 Fenchurch Street,
LONDON, E.C.3.

Dear Sir,

M.S. "NISO".

We have for acknowledgment your favour of the 1st instant with reference to the stern frame and rudder stock on the above named vessel and confirm the vessel is at present laid up in the River Blackwater. In view of the fact that some 5/6 months is required to make and fit new parts, also the economical practice involved at the present time, it appears the vessel will remain laid up for a considerable period, but should the position change, then a note will be made to advise you of any arrangements for drydocking etc. and fitting the above named items.

Yours faithfully,
SHELL TANKERS LIMITED.

B. S. Lyle.
