Dear Sirs,

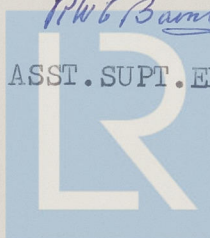

M.V. "King William"

We thank you for your letter of the 13th instant, and note that the Annual Load Line Survey on this vessel becomes due on the 16th November next.

We regret that owing to the degree of uncertainty regarding this vessel's future movements, we cannot yet advise you as to the port at which she will be submitted for examination, but we shall in due course confirm the arrangements made with your local Surveyors.

Yours faithfully,  
FOR KING LINE LIMITED
