Postponements  
already agreed

On 31st May the Committee agreed to a General Examination being held early in July at Karachi with a view to the postponement of the Special Survey for a period to be determined by the condition of the ship at the time of the General Examination. The required General Examination was held in September last, when the Surveyors recommended postponement of the Special Survey until December, 1961.

New proposal

The Karachi Surveyors now submit for favourable consideration a proposal to postpone the Special Survey until March, 1962 (9 months after due date). The ship is 40 years old.
