The Surveyors to Lloyd's Register of Shipping,  
KARACHI.

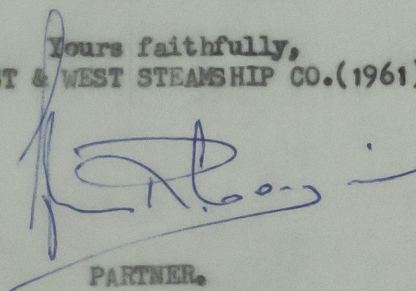

Dear Sirs,

S.S. "FAUSTA".

With reference to previous correspondence on the subject of this vessel and to the general examination carried out by you during September and October of this year, we shall be obliged if you will kindly extend this vessel's Class to cover the period of a voyage from Karachi to Chittagong and back, commencing early January 1962. By this time we are confident that we will be in a position to complete all formalities in connection with renewal of Classification etc. with Government and other departments.

We thank you for your kind cooperation and courtesy at all times,

Yours faithfully,  
For EAST & WEST STEAMSHIP CO. (1961),

  
PARTNER.
