Dear Sirs,

Steamer "FAUSTA"

Before your Report No. 3381 receives consideration in this Office I would draw your attention to the recommendation contained in your Report No. 3225 regarding the ballast pump.

In view of your statement in your letter of the 7th August to the effect that all outstanding items would be dealt with, I shall be glad to learn whether, in fact, the ballast pump was renewed at your port in September and October last.

An early reply is desired.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
KARACHI.
