

S.S. "CLAN KENNEDY"

Special Survey due 8.59
Boiler Survey due 6.59
(Last drydocking date 2.59)

Mr. van Duffelen has telephoned from Rotterdam stating the vessel is now at that port. He further states the vessel has been sold to China for breaking up and asks for cable instructions regarding the carrying out of a LLST Certificate covering the voyage to China and General Examination in connection with the Special Survey.

The ship is due to leave Rotterdam to-morrow,
5th August.
