No. 1169

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The class is subject to 49 wood hatch covers being renewed on vessel's arrival at a Yugoslav port.

The SPLIT Surveyor reports (9.48) the vessel afloat and both lower masts renewed.

The same Surveyor reported (30.8.48) the 49 wood hatch covers, as above, fitted. (See endorsement 1.10.48).

IT IS SUBMITTED the vessel is eligible to remain as classed, without special condition.

As now, without
