Dear Sir,

In reply to your letter of the 4th. inst. regarding the above vessels, we have discussed the matter with the Owners, who state that as soon as they receive delivery in this country of the additional intermediate shaft bearings, they will be fitted. Meantime the engine speeds are restricted as per your letter.

In the case of the COVILHÃ No. 8 main bearing has now been examined and found in order. See Lisbon Rpt. No. 4862.

Yours faithfully,

Wm. A. Siggart.

The Secretary.
