Your ref.: Publications 47/57

Dear Sirs,

m/s "La Plata" - Damaged by fire at Salvador
7th July, 1957

We refer to your letter of the 19th inst. addressed to Mr A.A. Johnson, the reply to which has been delayed due to the writers absence from Stockholm.

In compliance with your request we may advise that our m/s "La Plata" is unfortunately in a very miserable condition and apparently not repairable, but we deem it inadvisable to take a decision as to condemnation until certain legal questions under Brazilian law have been clarified.

Yours faithfully,

REDERIAKTIEBOLAGET NORDSTJERNAN
