Memo 2153.

It is submitted that
vessel is eligible for

THE RECORD.

+ Lloyd's Reg No 443, No 4 upper tween deck
chambers for 10.5° F. all other chambers for 31° F.

The refrigerating Machinery was built prior to 1942
under special Survey at Copenhagen & in view of the date
of construction it is concluded that the recent deersing restrictions
affecting surveys in enemy occupied countries do not apply.
We should forward Opn Rept 11411. X
