Postponement of Special Survey until 1.61 approved 4.1.60 (GE Nwc 12.59). Following a further inspection the notation SS (M) 9.60 (12 months) was assigned on 27.4.61. On 25th September it was stated that the ship would discharge in the United Kingdom at the end of this month and most likely proceed to Stavanger to be laid up pending a decision regarding repairs.

al.

The Oslo Surveyors cable that the ship has now been delayed and is not expected at Heysham before the 4th October. An extension of class is desired in order to allow the vessel to discharge and proceed to Norway to lay up.
