Dear Sir,

We are obliged for the receipt of your account  
No.15342 dated 18th February, including the item of £75  
for special survey of alterations to S.S."MATHURA".

As you are probably aware, it is our intention to  
alter in Middlesbrough three other vessels of the same class  
in identically the same fashion before June of this year,  
and we would like to enquire what fees you propose to charge  
for special survey of alterations on the remaining three.

Yours faithfully,  
FOR AND ON BEHALF OF  
THOS. & JNO. BROCKLEBANK LTD.
