Dear Sirs,

R. With reference to my letter of yesterday's date respecting the alterations proposed to be carried out to the Steamers "MANGALORE" and "MATHURA", I have to state that if the length of the vessels be reduced by 37 $\frac{1}{2}$ ' the draught would be increased by about six inches.

In the event of the alterations being proceeded with I shall be glad if you will forward the full particulars required on form C.11 for freeboard reassignment.

I am, Dear Sirs,

Yours faithfully,

Secretary.
