Dear Sir,

s.s. "THE DUKE".

With reference to your letter of the 23rd November, I have today been informed by the Owners that this ship will be taken out of service within the next month for Special Survey, or for breaking up if warranted by the ship's condition.

They state that they wish to defer the verification on the anchor and chain cable until that time, when the dry docking will also receive attention.

Yours faithfully,

A. Paulson
Secretary to the
Scottish Committee.

The Secretary,
