QUESTION

ANSWER

With reference to the entry in the Special Reasons List, the Secretary to the Scottish Committee stated on the 15th September, that a new bower anchor and cable had been supplied to the vessel at Newcastle.

In the absence of any information in this Office to substantiate the above statement, I shall be glad to receive your comments as soon as possible.

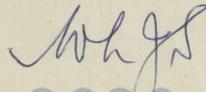

Date:— 18th November, 1960.

We have no record of this vessel having been under survey at this Port since March last but if you could advise us of the name of the supplier of the equipment in question we shall be glad to make enquiries as to when and where this was fitted to the vessel.

THE SURVEYORS,
