95, Bothwell Street, Glasgow, c.2.

19th May, 1932.

Sir,

With reference to your letter of the 5th instant in regard to the freeboard survey of the Steamer "THE DUKE", I beg to acquaint you that the Owners state that, as this vessel's movements are very uncertain and she is generally a very short while in port, they have not so far been able to arrange for an opportunity to be afforded for the Society's Surveyors to obtain the requisite information in connection with the New Loadline Regulations.

They have the matter in view, however, and will advise us as soon as an opportunity arises for the matter to be attended to.

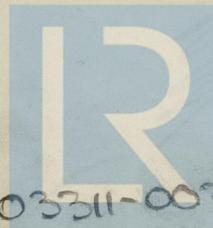

I am, Sir,

Your obedient servant,

P. L. Warlow

Secretary to the
Glasgow Committee.

The Secretary,
LONDON.
