Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

5th May, 1932.

Dear Sir,

Reverting to your letter of the 29th ultimo relative to the steamer "THE DUKE", I have to acquaint you I am in receipt of a communication from the Society's Surveyors at Swansea in which they state that owing to the ship discharging it was not possible to measure the sheers; also the following parts were not accessible:-

Bridge after bulkhead, stiffeners etc.,

Scarping of raised quarter deck, scantlings etc.

No information was forthcoming as to when it would be convenient for the above particulars to be checked and, in the circumstances, I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making in the matter.

I am, Dear Sir,

Yours faithfully,

The Secretary,
GLASGOW.
