Myne Heeren,

M/S "Kota Gede". Op verzoek van het Etablissement Eysenrood de-  
en wy U het volgende mede.

De lens- en ballastleiding van bovengenoemd schip werd destyds  
door U goedgekeurd, met de bemerking:

"provided the consent of the owners be obtained to the fitting of indepen-  
dent power driven bilge pumps having capacities of 250 and 40 tons per  
hour respectively instead of approximately 93 tons per hour each."

Hiermede gaan wy volkomen accoord.

Hoogachtend,  
N.V. ROTTERDAMSCH LLOYD.

R. C. W. H. H. H. H.

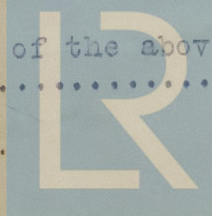

INSPECTEUR.
