24th December, 1947.

s.s. "KEYNOR".

Dear Sir,

In connection with the General Examination being carried out on the above vessel, a copy of Report C.11 is requested please the ship's copy cannot be produced.

It now appears that the Ministry are reverting to their original intention of sending the vessel direct to Canada for return Owners, and not operating her on coastal service as intimated to you by letter of the 21st ultimo.

Under the circumstances a General Examination is being proceeded with, and it is stated that in due course a Load Line Certificate will be required for the contemplated voyage to Canada.

We are, Dear Sir,
Yours faithfully,

The Surveyors.
