The Secretary,  
Lloyd's Register of Shipping,  
LONDON.

Dear Sir,

S.S. "OCEAN GLORY"

The Owners write to us as follows:-

"The above vessel is presently on charter between Bangkok and Djakarta on her 12 months' extension of Class expiring May, 1962, and we have arranged with Messrs. Hitachi Ship-building & Engineering Yard, Mukaishima, to take the vessel for Special Survey. Her Boiler Survey was due end March, and her Load Line end May, but as we wish to have all surveys done at the same time as her Special Survey, we would be pleased if you would allow us to extend her Load Line Certificate up to her arrival in Mukaishima which we calculate will be June/July."

Yours faithfully,

*James A. Anderson*
