Dear Sirs

S.S. "OCEAN GLORY"

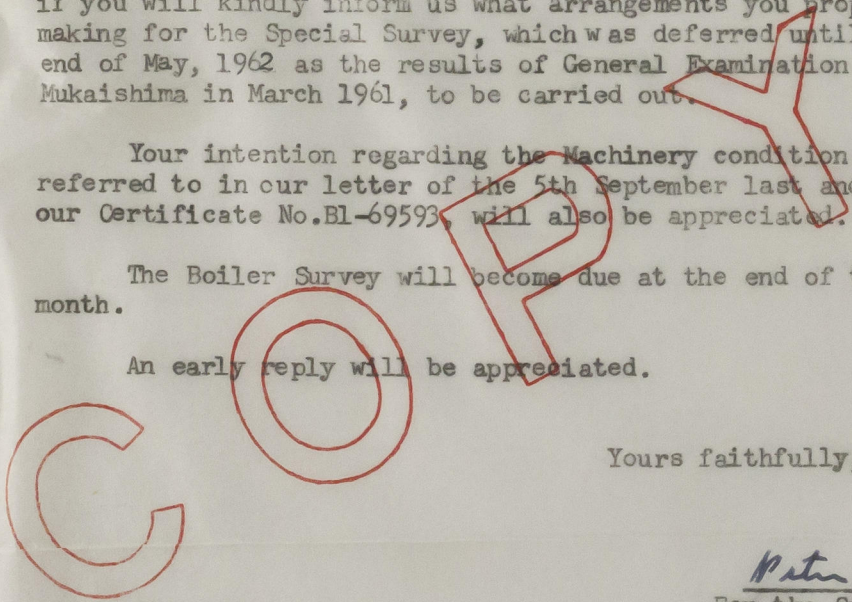

With reference to the above ship, we shall be obliged if you will kindly inform us what arrangements you propose making for the Special Survey, which was deferred until the end of May, 1962 as the results of General Examination held at Mukaishima in March 1961, to be carried out.

Your intention regarding the Machinery condition of class referred to in our letter of the 5th September last and as per our Certificate No. BL-69593, will also be appreciated.

The Boiler Survey will become due at the end of the present month.

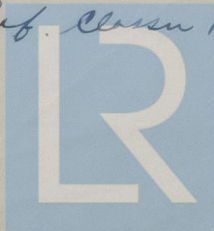

An early reply will be appreciated.

Yours faithfully,
