

4E

Subject to

the propeller being specially examined at the next
drydocking.

26 MAY 1961

by Chief Engineer Surveyor.....

Received from Chief Engineer Surveyor.....

NAME.....

OCEAN GLORY

REPORT

Kob.

No. 8877

MBS due 12.60 now held.

SRL. Propeller specially examined and some repairs
effected, but the Surveyor recommends it should be
re-examined by 3.62.

A General Examination for the purpose of
postponing Special Survey now carried out.

IT IS SUBMITTED that this vessel is eligible
for the record MBS 3.61 subject as now recommended.

End

25.5.61.
