28th February, 1961.

Dear Sirs,

s.s. "OCEAN GLORY"

In reply to your letter of the 21st February I have to inform you that the Committee are agreeable to the Owners' proposal to carry out a General Examination when the ship is drydocked in Japan early in March with a view to the postponement of the Special Survey until some time before the end of May, 1962.

It is concluded that the Main Boiler Survey, due at the end of December last, will be held at the same time as the General Examination.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
KOBE.
