Dear Sir,

m.v. "TARIA"

With reference to your Classing letter dated 18th instant, we would state the Interim Certificate sighted on board (Kobe Certificate No. Bl-61158 issued 8th December, 1959) read as follows " - - - without subject regarding main thrust block."

As a result of the examination carried out recently at this Port, as reported in Singapore Report No.13784, we would confirm that, in our opinion, the item regarding the thrust block may now be deleted from the Special Reasons List.

Yours faithfully,

FOR THE SURVEYORS.
