QUESTION

ANSWER

With reference to my letter of the 29th June, I shall be glad to learn what arrangements the Owners have made for the General Examination to be held by the end of this month as agreed.

Date:— 12th October, 1961.

We are advised by the Owners that arrangements have been made for this vessel to be drydocked at Sasebo near Nagasaki about the 3rd November when the requisite General Examination also will be held.

It is concluded that the Surveyors concerned will be informed of the matter.
