Dear Sirs,

Motor Tanker "Georgios P"

We have just bought the above vessel in Piraeus, Greece, where she has just completed the special No.1 survey in accordance with your requirements.

We are now desirous of carrying edible bulk oil in Nos.1, 2 & 3 deep tanks, also side tanks and fore and after holds which are all fitted with necessary pipe lines to a maximum quantity as allowed by Load-line certificate which has also just been checked by your Surveyor in Piraeus.

The vessel is at the moment permitted to trade in the Mediterranean, Red Sea and Indian coast line. We wish also to trade in the Malacca Straits and South China Seas.

It is requested that you will give this matter your usual prompt attention as we wish to put the vessel into commission at the earliest date - possible.

Yours faithfully,
For Tankers Ltd.,
