Our Principals in Bombay, Messrs. Ardeshir E. Cursetjee & Co., have purchased the above vessel in the name of Tankers Bombay, and are taking delivery of her at Athens (Piraeus). She was drydocked there yesterday and has to undergo some repairs and alterations to fit her for coastal trading in India. We intend that she is classed by Lloyds for trading in the Mediterranean, Red Sea and now coastwise on the Indian coast, and expected to be ready to leave Piraeus on the 11/12th April. We are negotiating for a full cargo of clean oil from South Italy to France for Bombay direct, but it is a question whether there will be sufficient time to take a cargo in view of the fact that a vessel of this size will <sup>not</sup> be allowed to leave Aden for Bombay days after the 30th April without being detained at Aden until the Monsoon is over. We shall be glad if you will advise at this point, and would be glad if you could arrange for the meeting to discuss the matter with you tomorrow or Monday.

Yours faithfully,

HARWIN SHIPPING AGENCY, LTD.
