Dear Sir,

I shall be glad if you will let me know the latest position as regards your efforts to secure payment of the fees for the survey held at your port on the motor vessel "GEORGIOS P".

As you know our arrangement with Mr. Hadzifotiu was that we would credit him with 50% of any fees received for this survey, and the delay in settlement is in consequence not only inconvenient to the Society but is also causing complications over Mr. Hadzifotiu's settlement with the Liquidator of the British Corporation.

Yours faithfully,
