*"Spenser" ex "Star of Bl Nil"*

Dear Sir,

*ex*

m.v. "EMPIRE CONFIDENCE"

We have to acknowledge and thank you for your letter of the 5th instant advising us that the Committee have had under consideration the reports received from the Society's Surveyors in London of the partial Classification Survey on the above vessel and that it appears the greater part of the requirements of the Special No. 3 Survey necessary for class has been complied with. Also that as an Interim arrangement pending completion of Survey for the assignment of class the Committee have assigned a special record of "100 A.I (Class contemplated) examined 5.40" indicating that the vessel has been examined by the Society's Surveyors and found or placed in efficient condition for a period of six months from that date.

Yours faithfully,

For ROYAL MAIL LINES, LIMITED.
