

m.v. "EMPIRE CONFIDENCE".

Built in Vegesack in 1935. Gross Tonnage: 4930.

The Royal Mail Lines Ltd., state that they have been instructed by the Ministry of Shipping to manage the above vessel and they desire to have her classed with this Society.

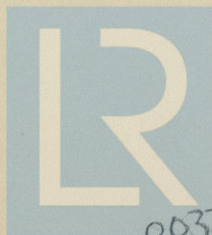

The vessel is at present discharging at No.5 Greenland Dock and on completion will shift to the Victoria Dock, London.

It is submitted the London Surveyors be informed that it will be necessary for the requirements of the Rules for vessels not built under survey to be complied with but that in the event of the survey not being completed the vessel should be generally examined with a view to 100A1 Class contemplated Examined (with date) in red being recorded in the Register Book.

The Surveyors should forward to this Office for examination any plans that are available.
