Dear Sir,

m.v. "EMPIRE CONFIDENCE" ex "DUSSELDORF"
ex "POLAND"

Grid RMC. - F.
You have possibly been advised already by the Ministry of Shipping that we have been instructed to manage this vessel on their behalf and we herewith beg to make formal application for her to be classed in your Register.

This will of course entail the issue of a Lloyd's Loadline Certificate and we should be obliged if this matter could receive your early attention. Please issue Certificate in triplicate as usual in the case of this Company's vessels.

For your information the vessel is at present discharging at No. 5 Greenland Dock and on completion will shift to the Victoria Dock.

Yours faithfully,
For ROYAL MAIL LINES LIMITED.
