

3. 15. 1947
"EMPIRE MOWDDACH" ex. "PONTOS"

NWE. 441.

This vessel was built in 1935 and classed with Germanischer Lloyd.

A survey of the Refrigerating Machinery and Appliances has now been partly held with a view to classification.

The vessel is a sister ship to the "PAGUARE" recently assigned a class.

To complete the survey the insulation remains to be completed in way of engine room pipes, No. 1 hold tank top, No. 2 hold and cooler fans also cooler fans require to be installed, the evaporator coils to be cleaned and packing fitted to compressor rods, the whole of the Refrigerating Machinery and Appliances require to be tested under working conditions and a cooling down test held.

IT IS SUBMITTED no action is necessary pending completion of the survey.
