Dear Sirs,

M. With reference to the plans, handed in by your Mr. Brown, of revised midship section, profile and decks, and shell expansion in connexion with the re-construction of the motor vessel "PAUA", I have the pleasure to state that provided the arrangements be carried out as shown and to the satisfaction of the Society's Surveyors, they will be approved.

I shall be glad if you will kindly state at what port this alteration is to be carried out in order that the Society's Surveyors may be advised, and at the same time perhaps you will be good enough to furnish an additional set of the plans in question for their use.

I am, Dear Sirs,

Yours faithfully,

Secretary.
