Plans of revised midship section, profile and decks, and shell expansion handed in by Mr. Brown, the Owners' Representative.

As stated in previous endorsement dated 31.10.38., this vessel is to undergo reconstruction, and the above plans shew the Owners' proposals in this respect.

It is submitted the Owners be informed that provided the arrangements be carried out as shewn on the plans and to the satisfaction of the Society's Surveyors, they will be approved.

They should be requested to inform this Office at what port the alterations are to be carried out in order that the Society's Surveyors might be advised. They should also be requested to furnish an additional set of the plans for the Surveyors' use.
