Dear Sir,

s.s. "Largs Bay".

In reply to your letter of the 17th May, 1957 your reference Classn (S), in which you mentioned the examination of the fit of the flywheel of the Forward Compressor, we wish to inform you that this vessel will be scrapped at the end of the present voyage.

However, should the Management decide to keep this vessel in service, then the opportunity will be given to your Surveyors to examine the fit of the flywheel.

Regarding the other items in your letter, these are having the attention of our Marine Department.

Yours faithfully,

R. S. Badenhead

Asst. Superintendent Engineer.
