

S.S. "EDDYREEF"

Built 1953-10

Classed.... ~~100A1~~ "Oil Tanker"

Owners - The Admiralty.

The Plymouth Surveyor 'phoned this Office to-day and requested instructions for the issue of a Towing Certificate to allow the above named ship to proceed in tow from Plymouth to Antwerp where she will be broken up.

He was informed that provided the ship was submitted to a General Examination in accordance with Circular No.1959 for a vessel appropriate to her age, with drydocking at the Surveyor's discretion, and the remaining requirements of Instructions to Surveyors, Part 11,1954, "Towage Surveys" complied with, where applicable, a certificate for fitness of the ship to be towed between Plymouth and Antwerp could be issued. The certificate to state that the ship's class is temporarily suspended for the voyage and the stability and towing arrangements the responsibility of the Owners.
