With reference to the Screwshaft Survey, which becomes due at the end of September, I shall be glad to learn what arrangements are proposed to be made for this inspection to be carried out.

I take this opportunity to point out that the Auxiliary Boiler Survey will become due at the end of October.

ANSWER

Date:— 2nd August, 1962.

According to information received from Messrs. Richardson & Co., Napier, the "Pakura" was sold in early June 1961 and left this Coast shortly afterwards. The name was not included in the sale.

The new Owners and Managing Operators were stated to be "The Kimberley Shipping Corporation, Panama" and the "Australis Pacific Shipping Co., (Hong Kong) Pty.Ltd." respectively.
