Dear Sirs,

C.
EJB/DET

S.S. "HUSEYIN KAPTAN"

I have to acknowledge receipt of your letter of the 23rd instant and to inform you in reply that the anchor should be weighed in your presence at the earliest opportunity.

On further consideration of the case, it would appear that the safety valves of the forward boiler also require adjustment under steam and I shall be glad if you will state whether this item received attention while the vessel was under your survey.

Yours faithfully,

Deputy Clerk to the
Classification Committee

The Surveyors,
ISTANBUL.
