19th October, 1962.

Dear Sirs,

CLASSING LETTER.

5232 "HUSEYIN KAPTAN". As recommended except that the class has been continued subject also to the weight of the bower anchor (supplied at Istanbul 9,62) being ascertained at the earliest opportunity. In this respect I would inform you that the weight of the anchor has to be ascertained and particulars forwarded to this Office. In future similar cases you should arrange for the anchor to be weighed to satisfy yourself that the weight approximates to the Rule weight.

I shall be glad if you will state whether the oil fuel installation was examined under working conditions as this item is outstanding for completion of the Main Boiler Survey.
5239 "KIRAR I". The contents of your report have been noted and this ship has today been classed + A1 "Harbour Service" with the appropriate notations.

Yours faithfully,

pro Clerk to the
Classification Committee.

The Surveyors,
ISTANBUL.
